Title: The House Of The Silent And Friendly

download from: <http://www.lyricsdisc.com>

---

"Skulls stripped of hair and skin  
stashed on the shelves  
-and in the fridge-

a pail full of hacked off hands  
a torso in the kitchen sink  
ripped open from neck to groin

A jar containing a pickled penis  
a severed penis lying on the sink  
another severed penis in a lobster pot in the fridge  
two 50 gallon garbage cans filled with rotting torsos"
