

DJ can you play it as a favor for me?  
DJ can you play it as a favor for me?

[Chorus]

DJ can you play it as a favor for me?  
You know the joint's that the shorties keep talkin' about  
DJ can you play it as a favor for me?  
You know the joint's that makes 'em get down, get down

Take off more re-, more re-, more records off the shelf  
Cause I ain't dancin by myself  
And you're the only one who can help uh-huh  
I saw this honey come through the back door  
And I need to get her out on the floor  
So get up onto your feet  
Cause you know what I came here for

[Chorus] 2x

I love rockin-rockin-hip hop with Rock'n'Roll  
Chicks with a little rythm in soul  
And you know they will be good to go uh-huh  
I think it's time for the place to get high  
So DJ make the beat drop  
Ya better rease up your glas and start shakin' ya \*UHH\*  
Cuz the party ain't about to stop

[Chorus] 2x

Imma put another dime into the jukebox  
Let the music play all night long

Gimme the what chase the song will comfort  
Rap up in a lovesong  
Regament, yeah we'll do it again  
Press rewind before the joint ends  
Please, I'm about to pull around the receive  
And I'm hopin' you could stand the heat uhhhhh

Burn it up, burn it up  
The dancefloor's burn it up (dancefloor's burn it up)  
Burn it up, burn it up  
The joint's like burn it up (yeah yeah)  
Burn it up, burn it up  
The dancefloor's burn it up (burn it up!)  
Burn it up, burn it up  
The joint's like burn it up (YEAHYEAHYEAHHH!)

[Chorus] 2x

DJ can you play it as a favor for me?  
Put the needle on the record and dance  
DJ can you play it as a favor for me?  
Put the needle on the record and dance  
DJ can you play it as a favor for me?  
Put the needle on the record and dance  
DJ can you play it as a favor for me?  
You know the joint's that makes 'em get down, get down

DJ can you play it as a favor for me?  
DJ can you play it as a favor for me?  
DJ can you play it as a favor for me?  
You know the joint's that makes 'em get down, get down, get down, get down, get down,  
get down,  
Down, down, down...
