

Half the world is sleeping
half the world's awake
half can hear there hearts beat
half just hear them break

I am but a traveler
in most every way
ask me what you want to know

(chorus)
What a journey it has been
and the end is not in sight
but those stars are out tonight
ang there bound to guide my way
when there shining on my life
I can see a beter day
I won't let the darkness in
what a journey it has been.

I been to sorrow
I have been to bliss
where i'll be tommorow
I can only guess

Through the darkest desert
through the deepest snow
forward always forward
i go....
(repeat chorus)

brige:
forward always forward
onward always up
catching every drop of hope
in my empty cup
(repeat chorus)

endline:
What a journey it has been..
