---

Well I stumbled in the darkness  
I'm lost and alone  
Though I said I'd go before us  
And show the way back home  
Is there a light up ahead  
I can't hold on very long  
Forgive me pretty baby but I always take the long way home

Money's just something you throw  
Off the back of a train  
Got a headful of lightning  
And a hat full of rain  
And I know that I said  
I'd never do it again  
Oh and I love you sweet baby but I always take the long way home

I put food on the table  
And roof over your head  
But I'd trade it all tomorrow  
For The highway instead  
Watch your back if I should tell  
You
