So Long. Leave me memories. I'd rather think of better moments. I've come this far and realized things are never gonna change unless you face. Just face it. Face and overcome w
Would you steal my heart and turn it into stone? Kill my hope and make a mockery? Watch me form into a person that I always said I always thought i'd never be. I thought I'd neve
Is this worth it? Don't you live your whole life in questioning. Don't you live your whole life in suffering Suffering suffering suffering. your So cold. Inside my head I could hear your w
