Title: The man in the moon

download from: <http://www.lyricsdisc.com>

So they say
He's there with the stars,
with his eyes in the dark.
There's a man in the moon,
in the sky when it shines.
And you can see his face in the light,
he's the man.
And he's there with the stars.
See his eyes,
he's the man in the moon.
