Title: The Money Will Roll Right In

download from: <http://www.lyricsdisc.com>

I'm goin to Hollywood
They'll see that I'm so good
I won't care how I feel
And I'll get to fuck Brooke Shields
And I'll just sit and grin
The money will roll right in
And I would give you some
If you only would have treated me nice
And you'll wish that you did
And you'll feel pretty stupid
It's fun to be a star
It's nice to have a car
Yeah you'll have to admit
That I'll be rich as shit
