

Verse 1:

I feel like  
Talking causing a problem through the nation  
I feel like  
Teaching preaching the reasons why I praise Him  
I feel like  
Clearing what folks be hearing about my God  
I feel like  
Telling yelling the truth I'm out for the cause

Chorus:

I don't know what you done heard  
I don't know what it is you serve  
But I'm willing to do the work  
And I'm ready to spread the word  
I'm ready to take to these streets  
And I can't wait for the defeat  
So sound off (put your boots on)  
Sound off (It's the movement)

Verse 2:

I feel like  
Marching taking it far and making it big  
I feel like  
Nothing has the power enough to stop us but Him  
And I feel like  
Taking my book and breaking chains and burdens  
Cause if any cause I'm a part of  
It's gonna be telling the world, about the word

Chorus

Bridge:

Marching, marching, marching  
For God I will be marching marching  
Speaking out and speaking proud  
For God I will be speaking loud  
Lace 'em up and stomp 'em down  
Pick your boots up off the ground  
Grab your signs and hold them high  
It's the movement for the Almighty

Chorus
