Memories of failure and feeling like fool  
On the hill say you will  
As I stare into the distance  
Heading down the road it seems so far  
To where you are

And I've given all I have to give  
Gave it all to you  
And now I've got myself believing  
That I'm not the only one

Meet me at the ocean when sunrise meets the day  
I'll be there, I'll be there  
As I drive another border  
Closer to the place where I belong  
Where I belong

And it's easier to walk away  
From what I have to say  
Because I'm not the only reason  
And I'm not the only one  
I almost had my heart believing  
That I'm not the only one

So many times I thought of leaving  
But I'm not the only one  
I almost had myself believing  
That I'm not the only one  
And so it's too late now for reason  
Cause I'm not the only one  
I'm not the only one  
I'm not the only one
