Well, get it done and close the door

I'll be alright. You couldn't choose but did quite well. Increasingly. Your plan became more radical. Though I can try it's not my way. Not mine at all. The scenery was losing its brig

And take your bow and know where you belong. You'll be. Leaving your old friends. As you're heading for the opera. Audience material. You'll be. Making many friends. As you're
