

The Seal of Prophecy
Between the darkness and the light
Everyone must choose
Universal blues
Wisdom is the key
To the heart of the Prophecy
The Seal of Prophecy
Messengers have come and gone
The struggle still goes on
Synagogue temple mask church
Each and every place we search
The seal of Prophecy
Old ones will see visions
Young ones will dream dreams
Time of change conditions
Til nothing as it seems
The Seal of Prophecy

Seal of Prophecy
Everyone must choose
