Title: The safety dance

download from: <http://www.lyricsdisc.com>

We can dance if we want to, we can leave your friends behind
'cause your friends don't dance and if they don't dance
They are no friends of mine

We can go where we want to a place where they will never find
And we can act like we come from out of this world
Leave the real one far behind

And we can dance ... "dansez"

We can go where we want to if we don't nobody will
And you can act real rude or totally removed
And I can act like an imbecile

We can dance, we can dance, everything's out of control
We can dance, we can dance, we're doing it from pole to pole
We can dance, we can dance, everybody look at your hands
We can dance, we can dance, everybody's taking the chance
Safe to dance, oh well it's safe to dance
Yes it's a Safety Dance

We can dance if we want to, we've got all your life and mine
As long as we can use it, never gonna lose it
Everything will work out right

I say, we can dance if we want to, we can leave your friends behind
'cause your friends don't dance and if they don't dance
They are no friends of mine
