Title: The tunnel

---

Once I was crying but now I'm flying  
Trough the tunnel of sound  
Lost in my dreams  
In my vision of a better year  
Noone can call me  
To tell me what I shouldn't do  
Don't let me come back again

You got to fear the might  
You got to do it right  
Slave of society  
8-hours destiny

Come back to the ground  
Don't you ever understand
