---

I came to New York to start gypsy punk revolt  
Now that it's rockin' so why don't I just go home?  
Hey Chavorale... Think Locally!  
Palo mande... Fuck Globally!  
I can't believe back home they failed to understand  
That I am simply a chavo kind of man  
Hey Chavorale... Think Locally!  
Palo mande... Fuck Globally!  
And if the county we invented will fall from grace  
I guess we'll have to fly away in our own space  
Hey chavorale... Think Locally  
Palo mande... Fuck Globally!  
Party!
