---

You fools try to live with yourselves  
Through other peoples dreams  
It's a pity you don't listen to yourselves  
Just to your next of kin  
Judging people putting down their beliefs  
Is that a necessary  
You're gonna get it back believe me  
You're just a peasant under your regim

It's all  
You want  
You know you got it  
and you know you gotta thow it away

You know I try to live with myself  
And not through my dreams  
I try to listen to what's in my head  
But it's not what it seems  
Just like you but in a different way  
I'm gonna get it back  
You know I try but in a different way  
Another power you lack
