Been known for that flippin ass rhymin

Growin up in the streets of California

Especially when you see us puffin on goncha  
All day every day  
Everybody wanna sip some Aleazy  
Shit all day every day  
Man don't they know that shits I play  
True to life thugs don't give a fuck  
You'll never find us clearly stuck  
If we don't have enough, just jack a truck  
Full of that beer we scandalous

[Chorus 1: OFI [Mr. Sancho]

There's a thug in us  
[When we're drunk and high]  
There's a thug in us  
When we're on Southside  
There's a thug in us  
[When we're mobbin right]  
There's thug in us  
[That's thug for life]

[Chorus 2: Mr. Sancho]

From the Low Profile  
Find a little bitch gonna make it wild  
Anybody wanna test then I'm gonna blast  
Comin at you like an avalanch  
We're never gonna die just multiply  
Anybody wanna cruise til they get to ride  
Look into my eyes so I never lie  
And we're gonna have fun in the 619  
With a vato like me  
Cause we're gonna bong  
Everybody say my name  
When I'm in the song

[Mr. Sancho]

Bitches smilin, Low Profile  
Cruisin down Highland  
On a Sunday Night and  
Gotta be able to full fill the need  
Gotta smoke a little weed  
No more ecstasy  
Has to be legal  
While we cruisin in a regal  
Tok a little smoke  
Now we're gonna act illegal

[Chorus 1]

[Chorus 2]
