

you led me to water  
then you let me me drown  
i've come back who's sorry now?  
sorry you wasted your time  
time spent sick and all alone  
so i picked you up and took you home  
keep in mind  
that i saved you this time

so sad that its such a big part of you  
without it i wonder where you will be  
better off then you are now  
you know its true  
truent to your self, so lazy

so sure yet so phoney  
now bored and left lonely  
i still see you  
once in awhile  
sunken eyes, twisted mind,  
slack jawed, broken smile  
i wave to you  
as you walk on by  
a slap in the face  
a good kick in the ass  
it's been coming to you  
for a long time past  
past that now  
im free to move on with my life
