---

You're the song that's stuck in my head  
I try to think of something else  
It keeps coming back again  
Says she wants to end it  
I'll just keep pretending

And there you go  
Turning up again

Its times like this i need a friend  
Ill take a hit and hold u in  
Cant live, cant breathe, im underneath  
Its times like this i need  
You here with me, with me

There's a stranger here in my bed  
I try to think of something else  
All i see is you instead  
Says she wants to hang out  
I'm just trying to break out

And there you go  
Turning up again

Its times like this i need a friend  
Ill take a hit and hold u in  
Cant live, cant breathe, im underneath  
Its times like this i need  
You here with me, with me

And here i go  
Turning up again

Its times like this i need a friend  
Ill take a hint and hold u in  
Cant live, cant breathe, im underneath  
Its times like this i want you here  
Its times like this i need you here with me, with me
