

Baby baby, don't you cry
Wipe away that tear from your eye
Sailing on a sea of blue
In my dreams theres a place for me and you

Baby babe don't say a word
In this life you get all that you deserve
I'm sorry that I made you cry
I can't believe that I'm just an ordinary guy

When all is said and done
It's all only won by one

And now i'm 29 years old
And i'm a million miles away

Hey babe, don't treat it like it's a fucking luxury.

Baby babe, don't say a word
In this life you get all that you deserve
I'm sorry that I made you cry
I can't believe that I'm just an ordinary guy

I can't believe I made you cry
I can't believe that made you cry
I can't believe this makes you cry

I see you
I need you
I leave you behind
I've learned my lesson

O.K I'm bored now.
