Title: Tired of Runnin

download from: <http://www.lyricsdisc.com>

I'm sittin' on my porch watchin the law  
As they ride past in their patrol cars  
So tell me why I feel like the enemy  
They're supposed to be here protectin' me  
I mighta went too far  
Helpin' the contribute to makin' their job hard  
Servin' fiends like these people ain't no enemy  
I can't believe I'm out here killin' my community  
If you knew how far I came  
From where I am and where I used to be  
Don't want it  
You can tell by the look of me  
This gangsta life ain't no longer in me

And I'm tired of the runnin  
Tired of the runnin  
Tired of the runnin  
Runnin from the law  
Baby you gotta believe me  
Said I'm tired of the runnin  
Tired of the runnin  
Tired of the runnin  
Runnin from the law  
Baby ya gotta believe me

I know there's things I coulda changed girl  
I know there's things I coulda done a lot better  
Instead I'm in the streets tryin' to make that cheddar  
Thinkin' in my mind you gonna be there forever  
I know I coulda let it all go  
Let it all go  
But I was thinkin' it would make life better  
Instead I'm sittin in this cell writin' this letter  
Thought I wouldn't get caught cause I was way too clever  
I learned there's no one to catch ya when ya fallin  
And they'll be no one to hear ya when you're callin  
Do you know what it's like to wake up in the mornin  
While you're starvin you're hearin bugs crawlin'  
Reminiscing on them days you was walkin  
With pretty women on your arm  
While you're starsick  
Thankful that I didn't end up in a coffin  
Somethin you see too often

I'm tired of the runnin  
Tired of the runnin  
Tired of the runnin  
Runnin from the law  
Baby you gotta believe me  
Said I'm tired of the runnin  
Tired of the runnin  
Tired of the runnin  
Runnin from the law  
Baby ya gotta believe me

Said I'm tired  
Said I'm tired  
Said I'm tired  
So tired, yeaaa  
Said I'm tired of the runnin  
Tired of the runnin  
Tired of thr runnin  
Runnin from the law  
Baby you gotta believe me  
Said I'm tired of the runnin  
Tired of the runnin  
Tired of the runnin  
Runnin from the law
