Title: To You I Belong

---

Rain fell down  
You were there  
I cried for you when I  
hurt my hand  
Storm a-rushing in  
Wind was howling  
I called for you, you were there

Whenever dark turns to night  
And all the dreams sing their song  
And in the daylight forever  
To you I belong

Beside the sea  
When the waves broke  
I drew a heart for you in the sand  
In fields where streams  
Turn to rivers  
I ran to you, you were there

Whenever dark turns to night  
And all the dreams sing their song  
And in the daylight forever  
To you I belong

I ran to you, you were there

Whenever the dark turns to night  
And all the dreams sing their song  
And in the daylight forever  
To you I belong

To you I belong  
To you I belong
