Title: Tocas miracle

download from: <http://www.lyricsdisc.com>

If you're gonna save the day, and you're hearin what I say
I feel ur touch, ur kiss it's not enough and if u believe in me
Don't think my loves not for real
I won't take nothin less then a deeper love

Let me tell u, u no aah ha, I need a miracle
I need a miracle, it's more physical then what I need to feel from u

Tell me that u understand, and u'll take me as I am
You will always be the one to give me everything
Just when I thought no-one cared
Ur the answer to my prayer
You lift my spirits high come on and rescue me
