

(oh I...)

Down to the earth I fell,
With dripping wings. Heavy things won't fly.
And the sky might catch on fire.
And burn the axis of the world, that's why
I prefer a sunless sky, to the glittering and stinging in my eyes.

CHORUS

Oh I feel so light.
This is all I want to feel tonight.
Oh I feel so light.
Tonight and the rest of my life.
Tonight and the rest of my life.

Gleaming in the dark sea,
I'm as light as air
Floating there breathlessly.
When the dream dissolves I open up my eyes,
I realize that everything is shoreless sea.
Weightlessness is passing over me.

REPEAT CHORUS

Everything is waves and stars.
The universe is resting in my arms.
I feel so light.
This is all I want to feel tonight
I feel so light.
Tonight and the rest of my life.

REPEAT CHORUS
