---

Step by step  
Heart to heart  
Left right left  
We all fall down like toy soldiers

It wasn't my intention to mislead you  
It never should have been this way  
What can I say

It's true I did extend the invitation  
I never knew how long you'd stay  
When you hear temptation call  
It's your heart that takes, takes a fall

Won't you come out and play with me

CHORUS:

Step by step  
Heart to heart  
Left right left  
We all fall down like toy soldiers  
Bit by bit  
Torn apart  
We never win  
But the battle wages on for toy soldiers

It's getting hard to wake up in the morning  
My head is spinning constantly  
How can it be

How could I be so blind to this addiction  
If I don't stop the next one's gonna be me  
Only emptiness remains  
It replaces all, all the pain

Won't you come out and play with me

CHORUS
