Breaking story bout a get-rich-quick scheme
One anchor turns and faces the other
Says it's time that I made you my lover

Chorus x2
Oooh we belong together
Like traffic and weather x3

Every twenty we got business reports
We're gonna take a break and then we're right back with sports

Lying on my bedroom floor
Don't run away baby, hear what I say
You know I sit her reading to you day after day
Don't be scared, sit down in your chair
All I wanna do is soke your hair

Like traffic and weather x3
Ooh we belong together
Like traffic and weather x3

Chuck Scarborough turns to Sue Simmons

CHORUS
