

I am a gifted artist  
I've learned to paint this canvas well  
I work until I've finished  
An ideal image of myself  
But you know better

I am a storyteller  
Quite brilliant, if I do say so  
I tell them tales they want to hear  
And they believe it's me they know  
But you know better

Chorus:  
You see my imperfections  
Still You say I'm a masterpiece  
A marvelous reflection  
The image of Yourself in me  
You paint with strokes of grace  
Undoing my disguise  
You say beauty lies in the true story

The world might think me foolish  
If they could see beneath my mask  
They might find my dreams laughable  
Or be embarrassed by my past  
But you know better

(Chorus)

Of where I've been  
And where you've brought me to  
Of who I am  
All because of you (4X)

(Chorus 2X)
