Mi Querido

Tu Amor, your love  
Tu Amor, your love for me  
Tu Amor, your love  
Tu Amor your love for me

Since the day that you appeared  
I haven't been the same, oh no  
The way you looked into my eyes  
just swept me away

Well if you want me  
You've got me  
There's nothing to keep you from me  
I'm ready, I'm willing  
I'm yours faithfully

Tu Amor, the passion that I'm living for  
Tu Amor, your love for me  
Tu Amor, is everything I'll ever need  
Tu Amor, Amor por MI

(Oh, ah)  
Tu Amor

Your wrote your name across my heart  
It's to you that I belong  
Amor mio you're my life  
It's for you I sing this song

And I feel you inside me  
You're with me where ever I go  
I'm giving my body  
My heart and my soul

Tu Amor, the passion that I'm living for  
Tu Amor, your love for me  
Tu Amor, is everything I'll ever need  
Tu Amor, Amor por MI

Tu Amor, the passion that I'm living for  
Tu Amor, your love for me  
Tu Amor, is everything I'll ever need  
Tu Amor, Amor por MI

MI Carino, MI Amor, MI nino, MI carazon

Well if you want me  
You've got me  
There's nothing to keep you from me (yeah)  
I'm ready, I'm willing  
I'm yours faithfully

Tu Amor, the passion that I'm living for  
Tu Amor, your love for me  
Tu Amor, is everything I'll ever need  
Tu Amor, Amor por MI

The passion that I'm living for  
Tu Amor, your love for me  
Tu Amor, is everything I'll ever need  
Tu Amor, Amor por MI

(Your love, your love, your love) Your love for me  
Mor por me  
(Your love, your love, your love) Your love for me
