Title: Turn To Me

---

Fallen angel  
Come to me  
Give me something to believe  
Before I turn on every vow  
Turn to me if you still know how

Spent my share of restless days  
Coal black suitcase  
Fall from grace  
All the while I was breaking down  
Turn to me if you still know how

(Chorus)  
I tried to tell you but I don't know how  
Every smile's turned upside down  
I'm a freakshow in a one joke town  
So turn to me if you still know how

Change comes slowly it's just  
a little hard to see  
I know some of my demons  
They're still haunting me  
Wanting me

Fallen angel  
Comfort me  
Help me get back on my feet  
'Cause I can't keep myself from falling down  
I just can't keep myself from falling down  
So turn to me if you still know how

Chorus
