

Artist: fantomas

Title: Twin Peaks: Fire Walk With Me

download from: <http://www.lyricsdisc.com>

Memories
Fade to gray
My smile
Your name
Roof leaks
Dim lights
Low rent
High tide
Boxsprings
Spare change
Your scent
My ways
Your breath
My air
Fog lifts
I stare

You're gone, but I'm there
I'm gone, but you're there
You're gone, but I'm there
I'm gone, but you're there
