

Some people think they're always right and rght is all they'll ever be.
Well there's two sides and ego's divide.
And we're so concerned with who's right.

These people are so quick to judge.
Let's get the judgement straight.
It's not who's wrong it's how we get along.
Because I don't think that we do yet.

TRUTH is a word that you're sure of.
Or so you've said
But I'd love just to see you give someone else a chance.

Open up, It's not so hard.
Is hard what you want to be to kick some ass.
It's a sure-fire bet you'll get your way with no friends left.

Don't say you know what I'm about, because you don't.
For God's sake give me a fucking break.
you don't even know my name.

TRUTH is a word that you're sure of.
It's hard to tell
but I'd love to see you give someone else a chance.

I listen to the things you say, I've weighed the facts out in my head.
Can you do the same...No, then don't waste my time.

This time my mind is set.
My side you'll never get.
What I say.
What did you say.
We can both be right just not in the same way.
You think we could reach some common ground...No...no way

TRUTH is a word that you're sure of.
It's hard to tell
but I'd love just to see you give someone else a chance.

You see, I listen to the things you say, I've weighed the facts out in my head.
Can you do the same...No, well there's two sides.

There's two sides.
