---

Nobody knows her  
Nobody knows her at all  
And I ain't wondering why  
I love that girl at all

Love love love  
Love that girl at all

Hey hey yeah  
Ultra stimulation  
Satta vibration  
Ultra stimulation  
Vital vibration

Anybody's music  
Any dance at all  
She just loves that dancing music

Late late late  
Late not dancing hall

What you say  
Ultra stimulation  
Satta vibration  
Ultra stimulation  
Vital vibration

Well if you're up and if you up we live it up  
Well if you're up and if you up we leave you up  
Well if you're up and if you up we give it up  
Well if you're up and if you up we leave you up

She will guide i will follow  
And she test all the swallow  
And she cook up a fire  
And she take it up stronger

Anybody's music  
Any dance at all  
She just loves that dancing music

Late late late  
Late not dancing hall

Hey hey hey  
What you say

Ultra stimulation  
Satta vibration  
Ultra stimulation  
Vital vibration

Ultra stimulation  
Satta vibration  
Ultra stimulation  
Vital vibration
