---

Uncle Bob, you're a drunken slob  
Daddy brought home a real winner  
Yeah  
Wake the guest, drink the tea  
For his holiday dinner  
Uncle Bob walked through the door  
He was built  
He was fucking ga-galore

The strength of his body was kind of a shock  
The first time he put mike in a headlock  
He crossed the line  
Put his feet on the chair  
How can we fine ?? aunt?

Uncle Bob, you're a drunken fucking slob  
Uncle Bob, you're a drunken slob
