

Artist: fminus

Title: Uniform

download from: <http://www.lyricsdisc.com>

we are the dogs
left out in the streets
by it all with havok to wreak
alone we're together
together we feed
death to our master
we don't believe

we are the undesired
we are the unspired
no one to tell us what to do
the way you'd have us contained
don't mean a fuckin' thing
soak in midocrity
shed our uniform
