

tune in
turn on
drop out
im gone
left to rot
in someone elses mistakes
generalized as
un-impressed
have i been classified?
to a generation
born to break

you won't get me down
cause i know that you
have been here before me
yeah i know it's true
you've made your mistakes
so let me make mine
in time i'll stop being
so un-impressed
