

Unkind  
We kissed and made a vow  
That you've undone  
We're on a chase now  
It's wrong  
And I don't understand  
I can't even call  
You unlisted your phone

Unloved, unloved  
Unloved, unloved

Until  
I looked into your eyes  
And fell under your spell  
I got along fine  
Untrue  
It's untrue  
And now our love  
You let it unwind

Unloved, unloved, unloved  
Unloved, unloved, unloved

Unloved, unloved  
Unloved, unloved, unloved  
Unloved, unloved, unloved  
Unloved, unloved, unloved
