(Gary Allan/Jake Kelly)

Chorus

Used heart for sale  
Scatched and dented but it runs real well  
Like you a lot so I'll cut you a deal  
Used heart for sale

First owner Peggy treated it rough  
She took it over some rough roads  
She skipped town when it broke down  
She never paid off what she owed

Cindy picked up where Peggy left off  
Whoa, how she made it shine  
Soon after then some mutual friend  
Robbed Miss Cindy blind

Took about every cent I had  
To get it out of the hock  
I spent the last month fixin it up  
Now its rollin' off the blocks
