Title: Van tango

download from: <http://www.lyricsdisc.com>

Van Tango had a mean old scene
He worked night-shift at the Opera
Watching the girls go by
He's singled out tonight
He's singled out every night

Caretaker of the night - He's the King of the night

Van Tango had a mean old scene
He wore his quiff Venetian style
His fags were cheap, but with a filter
He don't suck up to no-one tonight
He don't suck up to no-one at all

Caretaker of the night - He's the King of the night
