Title: Voodoo Doll

download from: <http://www.lyricsdisc.com>

The devil comes and I try to stall and
Soon my subconscious and conscious might start to brawl
And I put up my walls
And they begin to fall
As this cunning demon takes me as it voodoo doll
Darkness sets in as the horns start to grow
Suddenly I become somebody I dont know

[Chorus]
Whoa-what do I do?
Ooh ooh ooh oh
This body
