

Walk Away

I swapped my innocence for pride  
Crushed the end within my stride  
Said I'm strong now I know that I'm a leaver  
I love the sound of you walking away, you walking away  
Mascara bleeds a blackened tear, oh  
And I am cold, yes, I'm cold  
But not as cold as you are  
I love the sound of you walking away, you walking away  
I love the sound of you walking away, walking away, hey hey

Why don't you walk away?  
Why don't you walk away?

Why don't you walk away?  
No buildings will fall down  
Won't you walk away  
No quake will split the ground  
Won't you walk away  
The sun won't swallow the sky  
Won't you walk away?  
Statues will not cry

Don't you walk away X  
Why don't you walk away?  
Why don't you walk away?  
Why don't you walk away?  
Hey

mmmmm

I cannot turn to see those eyes  
As apologies may rise  
I must be strong and stay an unbeliever X  
And love the sound of you walking away, you walking away  
Mascara bleeds into my eye, oh  
And I'm not cold, I am old  
At least as old as you are  
La la  
And as you walk away  
Oh, as you walk away

Oh, as you walk away  
My headstone crumbles down  
As you walk away  
The Hollywood winds will howl  
As you walk away  
The Kremlin's falling  
As you walk away  
Radio Four is static

As you walk away  
Oh, as you walk away  
Oh, as you walk away  
Oh, as you walk away  
Hey

The stab of stiletto  
On a silent night  
Stalin smiles and Hitler laughs  
Churchill claps Mao Tse Tung on the back
