

Holly came from Miami to .L.A.  
Hitch Hiked her way cross the U.S.A.  
Plucked her eye brows on the way  
Shaved her legs and then he was a she, she said  
Hey babe take a walk on the wild side  
Said hey honey take a walk on the wild side  
Candy came from out on the Island  
In the back room she was every body's darling  
But she never lost head  
Even when she givin' head, she said  
Hey babe take a walk on the wild side  
Said hey babe take a walk on the wild side  
And the colored girls go doo doo doo  
Little Joe never once gave it away  
Every body had to pay and pay  
a hustle here and a hustle there  
New York city is the place where they said  
Hey babe take a walk on the wild side  
Said hey Joe take a walk on the wild side  
Sugar Plum Fairy came and hit the streets  
Looking for soul food and a place to eat  
Went to the Appollo  
You should have seen him go go go  
They said hey sugar take a walk on the wild side  
I said hey babe take a walk on the wild side  
Jackie is just speeding away  
Thought she was James dean for a day  
Then I guess she had to crash  
Valium would have helped that bash  
She said hey babe take a walk on the wild side  
Said hey honey take a walk on the wild side  
And the colored girls say doo doo doo
