Title: Walk With You

download from: <http://www.lyricsdisc.com>

And I will walk with you,
using the stars as guides.
On a homeward path we go
Knowing our time is nigh

I, and I will walk to be with you.
All I've done,
to be with you...

So put your hand in mine,
and lay your head to rest.
We'll light the candles now - they won't be lit for long
we'll know our day was blessed

I, and I will walk to be with you.
All I've done, all I've done
Just to be with you...
I, I,

And I will walk with you,
Using the stars as guides
on a homeward path we go,
knowin' our time is nigh

I, I will walk to be with you.
All I've done,
and all I say
I, I,
To be with you,
to be with you,
to be with you,
