---

Wasted dreams wasted dreams cause you will never be mine  
I saw you and I wanted you oh darling how I wanted you  
But you never no you never wanted me  
I found what I was dreaming of but the one that I was dreaming of  
Wasn't dreaming no wasn't dreaming of me  
[ steel ]  
Wasted dreams wasted dreams moonflower falling from the vine  
Wasted dreams wasted dreams cause you will never be mine  
[ steel - strings ]  
Wasted dreams wasted dreams cause you will never be mine
