Title: We only read the headlines

download from: <http://www.lyricsdisc.com>

You can cut to the chase
And you know its okay
Coz we only read the headlines
We only read the headlines

Baby get to the point
And quit the full play
We only read the headlines
We only read the headlines anyways

54% of bank robberies take place on a Friday
Women blink nearly twice as much as men
Elvis never ever gave an encore
The number of wars fought between countries
That both have at least one McDonalds is zero
Every 5 minutes an area of rainforest the size of a foot ball field
Is eliminated
Women who read romance novels
Have sex twice as often as those who don
