

If he were recording right now then he would be getting all this then we start  
yo we should have a freestyle track on this  
hit 'em off with something  
spit a verse, travis, spit a verse  
quit picking your nose  
fuck you, i'll kill it, i don't give a fuck

traded in my hollow words for jelly filled verbs and five pound pronouns and predicates  
this is schlep's etiquette for sloppy fable manners, get your napkins  
matty do kick the beat and i'm rappin  
top of the line top of the world top of the mornin' to ya top dog that's a top notch tie you got  
tie it in a knot till your eyeballs pop out  
so you can actually see what an actual emcee looks like  
and if i had to pick and choose  
i'd be the indecisive dick in the voting booth  
laughing at my options like  
stop the press and warn the media  
schleprok is leavin' ya  
walking with prosthetic concoctions  
i thought i told you  
you just a toadstool on mario with firepowers stickin' dick to the princess  
is just senseless  
like that david and goliath drama  
mine is the slingest  
don't get basically defenseless  
anyway ya wanted schleprok's cock's obnoxious  
it feels like a midget is chillin' in my boxers  
what?  
i'm sorry  
i don't even give a fuck
