

When I was a young boy  
My father took me into the city  
To see a marching band.

He said, "son when you grow up,  
would you be the saviour of the broken, the beaten, and the damned?"  
He said "Will you defeat them,  
your demons, and all the non believers, the plans that they have made?"  
Because one day I'll leave you,  
A phantom to lead you in the summer,  
To join the black parade."

When I was a young boy,  
My father took me into the city  
To see a marching band.

He said, "Son when you grow up,  
would you be the saviour of the broken, the beaten, and the damned?"

Sometimes I get the feeling she's watching over me.  
And other times I feel like I should go.  
When through it all, the rise and fall, the bodies in the streets.  
And when you're gone we want you all to know.

We'll carry on  
We'll carry on  
And though you're dead and gone, believe me  
Your memory will carry on  
You'll carry on  
And in my heart I can't contain it  
The anthem won't explain it.

A world that sends you reeling from decimated dreams  
Your misery and hate will kill us all.  
So paint it black and take it back  
Lets shout it loud and clear  
defiant it to the end  
We hear the call

To carry on  
We'll carry on  
And though you're dead and gone believe me  
Your memory will carry on  
we'll carry on  
And though you're broken and defeated  
Your weary widow marches

On and on we carry through the fears  
Ooh oh ohhhh

Disappointed faces of your peers  
Ooh oh ohhhh

Take a look at me, cause I could not care at all

Do or die, you'll never make me  
Because the world, will never take my heart  
You can try, you'll never break me  
Want it all, we wanna play this part  
Won't explain, or say I'm sorry  
I'm not ashamed, I'm gonna show my scar  
Give a cheer, for all the broken  
Listen here, because it's to me  
I'm just a man, I'm not a hero  
I'm just a boy, who wanna to sing this song  
I'm just a man, I'm not a hero  
I -- don't -- care

We'll carry on  
We'll carry on  
And though you're dead and gone believe me  
Your memory will carry on  
You'll carry on  
And though you're broken and defeated  
Your weary widow marches on  
(Do or die, you'll never make me)  
(Because the world, will never take my heart)  
(You can try, you'll never break me)  
(We want it all)  
We'll carry on  
(We wanna play this part)  
(Do or die, do or die, die)  
We'll carry on

(You'll never make me)  
(Because the world)  
We'll carry on on on  
(Will never take my heart)  
(You can try)  
We'll carry  
(You'll never break me)  
(We want it all)  
We'll carry on  
(We wanna play this part)
