

You're amazing, so amazing
Have I told you enough?
You're an angel, my guardian angel
God knows I, I've been blessed with love

But if I'd be gone tomorrow
Would you know how deep my love goes?
Have I ever told you, you're the one?

Chorus:

If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know what my heart wants to say

A love so tender, I surrender to this feeling so true
My affirmation, my inspiration
Darling I, I've been blessed with you

Chorus:

If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know what my heart wants to say

But if I'll be gone tomorrow
Would you know how deep my love goes?
If I was gone forever, would you know how much I care?
That you make me feel like flying, that I'm sailing on your ocean
That every time you look at me, you see it in my eyes

If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know what my heart wants to say
If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know, I hope it still shows
I hope you still know what my heart wants to say
