Title: What What (featuring Da Brigade)

download from: <http://www.lyricsdisc.com>

(Repeat * 3)

All my ladies say What What What

And all my dogz say What What What

Ladies and gentlemen may i grab your attention

Its the dopest M.C from the midwest

Did i mention?

So clap your hands and stomp your feet

And party on down to the Bizarre kid beat

Throw your hands in the air so i can feel it
