Title: When I Look Into Your Eyes

---

I see forever when I look in your eyes  
You're all I ever wanted, I always want you to be mine  
Let's make a promise 'till the end of time  
We'll always be together, and our love will never die

So here we are face to face and heart to heart  
I want you to know we will never be apart  
Now I believe that wishes can come true  
'Cause I see my whole world  
I see only you

Chorus:

When I look into your eyes  
I can see how much I love you  
And it makes me realize  
When I look into your eyes  
I see all my dreams come true  
When I look into your eyes

I've looked for you all of my life  
Now that I've found you, we will never say goodbye  
I can't stop this feeling and there's nothing I can do  
'Cause I see everything, when I look at you

Chorus

When I look into your eyes  
I can see how much I love you  
And it makes me realize  
When I look into your eyes  
We will always be together, and our love will never die  
When I look into your eyes  
I see all my dreams come true  
When I look into your eyes  
When I look into your eyes
