i promise baby it'll be alright
truth is all i'm doin' is missin' ya
thinkin about when i'm gonna see you

it's been three days since you screamed and hung up on me
all you wanted was to hold me tight

and i wanna learn to be alright
truth is all i'm doing is missin' ya
thinking about when i'm gonna see you

hey baby
when (when) i (i) see ya (see ya)
i'm wanna love you all over the place

dance with me
love me some more
better than
slammin' doors
spread your love
all over my face
when i see ya.....

i'm gonna love ya all over the place
