

What do you do  
When it's falling apart  
And you knew it was gone  
From the very start  
Do you close your eyes  
And dream about me

A girl in love  
With a gleam in your eye  
I was a younger boy  
All dressed in white  
We're older now  
I bet you still think about me

I remember  
We learned about love  
In the back of a Chevrolet  
Well it felt so good to be young  
It feels like yesterday

When you close your eyes, do you dream about me (x2)

I guess I don't know  
What I'm thinking  
Coming off  
A hard night of drinking  
Angie come closer to me  
I need a soul to bleed on

It coulda been done  
In a different kinda way  
But that ain't you  
You play tough when you play  
It's over now  
I bet you still think about me

I remember  
I held you so tight  
And we danced the night away  
With the moves  
Of two wide eyed kids  
I need you so much today

When you close your eyes, do you dream about me (x4)

I remember  
We learned about love  
In the back of a Chevrolet  
No good for an old memory  
To mean so much today

When you close your eyes, do you dream about me (x4)

When you close your eyes  
Do you dream about me  
When you go to sleep at night  
Do you dream about me  
When you close your eyes  
Do you dream about me  
When you close your big brown eyes  
Do you dream about me
